# Cold Email 3 Sequence Structure by Sean Longden’s

1. **What we can do** - what results we can give you
2. **How we can do it** - w/ Case Study, ROI Calculation
3. **Irresistible Free Value** - Can we send you a list of 1,000 people with their email with your Ideal Customer Profile?
    a. catch would be - need to hop on a call to learn that

Personally can still add 2 more just a simple follow-up if they’ve seen the email
