Cold Email Copy Checklist & Tips: *Don’t publish the campaign yet*‼️

#️⃣ ChatGPT Prompt for Researching and Cold Email Ideas

💉 Cold Email Campaign Issue Optimization / Review / Analyze

General

⚠️ Don’t launch Campaign on Thursday & Friday

👉 1 email, 1 topic/problem, 1 goal

💡 **Don’t confuse Formality with Professionalism**

- No matter how good everything is if you sound like a robot, and not sound like how you talk to your friends then it wouldn’t work

Subject Line

👉 **Subject-line MUST NOT**

- Don't use **{{first_name}}** variables - 18% fewer responses (1 less response out of 5)
- Punctuations (!) — make it like screaming.

👉 **Easily noticeable that you are marketing email or about to be pitched or selling.**

1. Using Comparative words makes it.
    - Better reply rates
    - Higher, More, etc.
2. Numbers, Percent, Multiplier (Less 80% open rate)
    - 2x reply rates
3. Commands (Verb)
    - Maintain a better response rate
    - Improve

💡 **DO NOT SELL** on the subject line.

- Their email is like a TO DO list, make it look like an internal email.

❌ Will, improve your reply rate by 2x

Body (Overall)

🗃️ Cold Email Swipe File

👉 10th grade level English → 5th-6th grade level
- Don’t use commas as much as possible because expanding ideas...

👉 More about THEM, not Us.

👉 3 by 3 Rule

- 3 body of text - Problem, Solution, Ask
- 3 Lines
- No Scroll on Phone

💡 Okay to break some time up to 4.

💡 As much as possible less than 50 words on the emails. Max 125.

⚠️ Having a “%” on an email get 2% less likely to get reply.

- It’s fine if just stating facts number.

⚠️ Avoid what everyone is using 🤖

- I saw that...
- I noticed...
- I was looking on your website
- I'm just circling back
- I'm checking in

✅ ~~I was looking on your website~~ → Scrolling on your website
I noticed... → Noticed that you...

❌ Remove Jargon and Buzzwords

👉 **Sound natural:**

- ~~Do not~~ → Don't
- ~~Would not~~ → Wouldn't

👉 **Don't try to sound Smart. Instead, sound conversational, or use basic words.**

- ~~Utilize~~ → Use

💡 Using “.**And**,” “.**But**,” on the first sentence to keep them continue reading...

💡 **Read your emails out loud.**

- Here you will know if it sounds natural and a real-life person would say.
- You know your sentence is too long if you run out of breath.

Call To Action

👉 **Low friction CTA on 1st email**

- Doesn’t require to be a question.
- 0 questions is better than 2 questions.
- Short

✅ If you’re interested let’s connect.
Open to taking a peak?
I this moderately relevant?

▼ CTA’s

1st: call cta
2nd: video cta
3rd: should I reach out to someone else?
4rth: interest-based cta
5th: should I reach out at a later date?
